

EXHIBIT 15

DECLARATION OF ELI SOGLOWEK

I, Eli Soglowek, declare the following under penalty of perjury under the laws of the United States of America that following is true and correct:

1. I am the CEO and Chairman of the Board of Soglowek Nahariya LTD. In approximately late 2008, early 2009, Soglowek Nahariya LTD had a great interest in purchasing the assets of Agriprocessors, Inc. I traveled with associates to Iowa to conduct due diligence in approximately January, 2009.
2. In conducting due diligence, I had many conversations with Joseph Sarachek, the Trustee in Agriprocessors' Chapter 11 bankruptcy, and inspected the Agriprocessors' plant and facilities.
3. By the end of January, 2009, I was sufficiently satisfied with my due diligence that I signed a term sheet on behalf of Soglowek Nahariya LTD., offering to purchase the assets of Agriprocessors, Inc. for the price of \$40,000,000. Mr. Sarachek informed me that Soglowek Nahariya LTD. could participate in a planned auction for the assets of Agriprocessors.
4. I had questions concerning the fact that the United States Attorneys' Office for the Northern District of Iowa was asserting a right of forfeiture of Agriprocessors' assets in connection with a criminal case filed in the United States District Court for the Northern District of Iowa. Accordingly, on February 6, 2009, I traveled to meet with representatives of the United States Attorney's Office to address my concerns.
5. At the February 6, 2009 meeting, representatives of the United States Attorney's Office told me that if Soglowek Nahariya LTD. purchased the assets of Agriprocessors, no member of the Rubashkin family or any related entity could have any management, consulting or ownership role in the business going forward. I was told by representatives of the United States Attorney's Office that if it was discovered that any Rubashkin was involved in the

ES

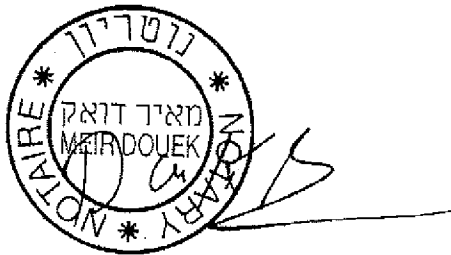

business going forward, there would be "very bad consequences" for me and Soglowek Nahariya LTD.

6. It is also my understanding that Ms. Roby testified that I did not complete the acquisition of Agriprocessors because we "began due diligence and discovered that there were inflated inventory and receivables numbers and didn't believe that \$40 million was a reasonable amount to offer for this company". This is also not true. My reasons for not completing the acquisition were not related to any inflated inventory and receivables numbers or that I didn't believe that the \$40 million was a reasonable amount to offer for the company at that time.

Pursuant to 28 U.S.C. § 1746, I hereby declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.
