AFFIRMATION OF RABBI MENACHEM GENACK

I, Menachem Genack affirm the following under penalty of perjury:

1. I am a Rabbi and serve as the CEO of Orthodox Union Kosher. Since the Orthodox Union was involved with regards to providing Kashruth certification of Agri, I was in regular contact with the persons running Agriprocessors, Inc., both before and after it filed for bankruptcy in Case No. 08-2751, filed in the United States Bankruptcy Court for the Northern District of Iowa.
2. On April 29, 2010, I learned that the government told the bankruptcy trustee not to get the Agriprocessors Postville Iowa plant restarted or sold.

Pursuant to 28 U.S.C. § 1746, I hereby declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.
